What parts of our team are you interested in (circle all that apply)? General Business Electrical

What are your interests and hobbies? Are you currently involved in any extracurricular activities?

Have you ever worked on a project or learned about a subject that was not related to school solely because it interested you? This can be any project, large or small.

What skills or real-world experience would you bring to the team? (Such as: welding, machining, CAD, CNC, FEA/CFD, composites/body work). None of these skills are required to join.

Briefly describe a situation in which you were extremely committed towards *any* activity, for example, an athletic team, school project or club.

What do you hope to get out of being an FSAE team member? What aspects of the project interest you the most?

Is there anything else you would like us to know about you?

Please feel free to submit a résumé or list of activities with this application.
